

Digital Photography Classes at Macarthur Community College

Digital Photography Classes with Debra Pearson

Learn the basic, advanced and creative operations of your digital camera, and improve your photographic skills in class sizes structured for individual attention.

Debra Pearson has produced photography for the media, corporate publications, clients & exhibitions; and currently co-ordinates the Macarthur CC Photography Exhibition Group.

Debra holds a Master of Creative Arts (Photography & Visual Art Theory), a Bachelor of Arts (Photography, Art History & Aesthetics and Communications); a Graduate Certificate in Communication and a Cert. IV Trainer & Assessor. She has taught photography for 20 years.

Member of the Macarthur CC Photography Exhibition Group 2013

Photography Exhibition Group

Meet us and ask your photographic & camera questions. We'll be at the:

Artisan & Designer Market at Narellan

Narellan Library outside plaza area
Cnr Queen & Elyard Sts, Narellan

10am to 2pm, Saturday 23 March 2013

We're showing a photographic print exhibition, and selected matted prints & cards are for sale.

Hope to see you there!
